12 sts and 17 rows = 4" / 10 cm in Lace Rib II

10 sts and 20 rows = 4" / 10 cm in Seed stitch

Construction Notes: This sweater is worked in the round from the top down. The collar is worked in the lace rib pattern. Increases along the raglan lines shape the yoke, with the front and sleeve sections being worked in Seed st, while the lace rib continues on the back. The sleeve sections are set aside, and the body continues to the lower edge, with increases across the back to create a swing shape. The sleeves are continued from the reserved stitches down to the cuffs. The lace rib pattern is presented in written instructions only.
