32 sts and 28 rows = 4" / 10 cm in 2 x 2 ribbing worked in the round using smaller needles

Construction Notes: The scarf and hat are fully reversible. Although the crown shaping on the hat looks different on the two sides, both are equally attractive.

The width of the scarf can be increased or decreased by adding stitches in multiples of 4. A thinner scarf will also be shorter, unless more repeats of the Scarf Chart are worked. Likewise, a wider scarf will be longer.
