

*Every Friday we feature one of the garments from the magazine in a post about styling. We suggest different ways to wear the garment in question using mock-ups from [Polyvore](#). We encourage readers to tell us what they think about these outfits via our [Facebook page](#) or [Twitter](#), and if folks want to make their own outfits, please tweet them at us with the hashtag #twiststyle. Carly here, back again with another style Friday. Today, we look at the many ways to wear [Sylvatica](#), Robin Melanson's lovely buttoned pullover (blogged about previously [here](#)). With it's flattering boatneck and easy shape, you could wear this sweater with just about anything and look pretty awesome. Below are my styling ideas for kicking around town, weekend brunch, a casual date, or something else of that nature.

These could be workplace appropriate, depending on your job, but in case you're looking for ideas that are a little dressier- here are a couple!

If you've met me, you know how much color coordination pleases me- I may have let out an audible shriek when i came across those shoes on the left. You can probably tell that I've been having a really good time playing with these images in [Polyvore](#)- some of you have too! We want to see your creations, so tweet them at us ([@twistcollective](#), [#twiststyle](#)), or post them on our [Facebook](#) page.
