Happy Friday everyone! Back again with another installment of Style Friday, and this week, our subject is [Amy Christoffers' pretty lace cardigan](#).

A hip length, bracelet sleeve cardigan is a really useful and easy layering piece, and you could easily wear this with jeans or dressier pants. When I started to play with it, what I couldn't help but notice was that it looks totally beautiful with skirts. A-line, pencil, mini, maxi, it didn't matter! Nearly any skirt I chose suited the flattering shape and flowing lines of this lovely knit. Seriously- take a look!

So pick your favorite skirt, a roomy bag, and shoes you can stroll around in, and be ready for wherever your day may bring you. Share your ideas about how to wear Lanata on our [Facebook page](#), or tweet them at us, [@twistcollective](#), #twiststyle!
