

It's no secret that we think [Green Mountain Spinnery](#) is seriously cool. Not only are they a great company that makes gorgeous yarns, they have been a [supporter of ours](#) since our very [first issue](#).

**a Worker-Owned Cooperative**

Today we are giving away two great GMS prizes; some [Alpaca Elegance](#) to make the lovely [Cabled Cuff Gloves](#) (plus the pattern), and enough [Sylvan Spirit](#) to make [Lanata](#).

Today we want to hear about a friend you made because of knitting! You can join the conversation on today`s [Facebook](#) post, on the Green Mountain Spinnery Giveaway thread in our [Ravelry group](#), or by tweeting at us [.@twistcollective](#) (the dot is important!). You have until the end of the day! Good luck.
