For a chance to win, write a [six word memoir](#). You can post your really really short memoir as a comment on today's [Facebook](#) post (and like our page!), tweet it at us ([.@twistcollective](#)- the dot is important! And follow us!), or join our [Ravelry](#) group and post it in the Skacel discussion (or all three)! You have until the end of today.

A six word memoir is exactly what it sounds like. It tells the story of your life (or a part of your life) with only six words. There are literally no rules, except that it must contain six words (no more, no less), and you have to write it. Here are a few examples of s to get you started. Have fun with it!!
