

Hey everyone! Just in time for your holiday knitting, a bonus pattern from Winter's Twist!

Allow me to introduce [Sideswipe](#).

These socks are knit flat, and then grafted together to make a contrasting stripe. Pretty nifty, right? [Kate](#) is always taking [simple ideas](#) and [turning](#) them [inside out](#) and [upside down](#). Her knits aren't just [beautiful](#), they're really [fun](#) to [make](#).

Also for kidlets.

I can't wait to see your versions. Happy knitting!
