

Look out Wisconsin, Twist Collective is headed your way! Kate and Marnie will be joining the Madison Knitters' Guild for a day long Knit-In, featuring classes, speakers, vendors, and more. It's a day to celebrate yarn and the things it can become. We would love to see you there!

Kate and Marnie will be holding a fashion show, with oodles of garments straight from the pages of the magazine. During the show, Kate will also share insights about knitwear design and working on Twist Collective.

The Knit-In takes place on March 10, all day. Find out more info about the Madison Knitters' Guild [here](#), and register for the Knit-In [here](#)!
