This zippered hoodie pattern is available in both adult and child sizes. The body is knit in one piece to the armholes, then divided for fronts and back. The adult version includes waist shaping; the child's does not. The set-in sleeves are knit separately and sewn into place. Both versions have curved, inset pockets. The hood is worked from stitches picked up at the neckline, and finished with a 3-needle bind off. The stitch patterns are given in row-by-row instructions only.
