

[Buy Halcyon Yarn 2/5 Gemstone Silk at Halcyon](#)

This crescent shaped shawl is worked from the deep ruffled border up to the neck edge, shaped with short rows along the way, and finished with an i-cord bind-off. Optional beads provide sparkle. The cable pattern is given in chart form only.

Finished measurements:

Wingspan: 43" / 109 cm after blocking

Length at center back: 19" / 48.5 cm after blocking

Yarn:

4 skeins Halcyon Yarn 2/5 Gemstone Silk (260 yd / 238 m per 3 ½ oz / 100 g skein; 100% Silk) in color #107

Needles & Notions:

Size 5 US / 3.75 mm circular needle, 40" / 100 cm long

252 4 mm glass Magatama beads, crochet hook size 0.75 mm (small enough to fit through holes of beads), cable needle, tapestry needle

The beads used in the sample are Magatama style seed beads. These are oval beads with an off center hole. They stand away from the surface of the knitting, catching more light and providing lots of sparkle. Standard round seed beads may be used instead.

Gauge:

16 sts and 30 rows = 4" / 10 cm in reverse Stockinette stitch, after blocking

Correct gauge is not critical for this project, but your final measurements and yardage requirements may vary if your gauge is different.
