

This cabled pullover for men or women is worked seamlessly in the round from the bottom up. The women's version has waist shaping; the men's version is tapered slightly at the hip. The sleeves

are worked in the round, then joined to the body. The yoke is worked in the round to the beginning of the neck shaping, then back and forth in rows with seamless saddle shoulders. The collar is worked from stitches picked up along the neckline. The cable pattern is given in chart form only. This design is recommended for experienced knitters.
