Construction Notes: This sweater is worked in pieces from the bottom up and sewn together. Waist shaping is included in the body, which begins with a turned hem. Both front and back have a beaded mock quilting pattern around the square neck. The pattern is given in chart form only. The beads are pre-strung on the yarn and moved into place as needed. Set-in sleeves begin with a band of beaded mock quilting at the cuff. Applied i-cord finishes the neck and cuff edges.
