

### VERSION

### CHANGE

07.30.11

Original version

10.10.11

Page 4 - Row 25 of the Body Chart has been revised to include 2 additional sts. At the beginning, the first 4 stitches should be: "K**3**, p1, k1, left lifted increase...." At the end, the last the last 6 stitches should be: "....right lifted increase, **k1**, p1, k3."

11.03.11

Page 1 - In the left column under Gauge, the second gauge should read: "17 sts and 17 rows = 4" / 10 cm worked in slipped rib pattern (Rows **76-77** of Body Chart)."
