

### VERSION

### CHANGE

11.12.11

Original version

11.21.11

Page 2 - Row 29 on Chart A has been revised. The 4th and 5th stitches from the right should be **knit** (empty box), not yo, ssk. It now begins: "K2tog, yo, k3, yo, ssk...." instead of "k2tog, yo, k1, yo, ssk, yo, ssk...."
